**TORRANCE**—the geographical and industrial center of the great HARBOR DISTRICT, has now become the RETAIL BUYING HUB of the territory between Los Angeles and its harbor.

**TORRANCE MERCHANTS**—over 120 of them—have started a campaign of fortnight BARGAIN WEEK-ENDS to acquaint residents in this district with the wide diversity of stores in TORRANCE and the LOW PRICES at which dependable goods can be bought.

**FIRST EVENT THIS WEEK**

The first special BARGAIN WEEK-END will be held on Friday and Saturday of this week, January 28 and 29, and a fair idea of the SUPER BARGAINS may be had by reading the different advertisements on this page. Similar WEEK-END BARGAINS will be offered every two weeks thereafter.

The series of WEEK-END BARGAINS was arranged through the co-operation of Torrance merchants who realize that such a union would enable them to present a landslide of bargains that no individual merchant in the whole Harbor District could afford to offer single-handed.

**FREE BUS FARES**

In addition to the economies offered to retail shoppers, ROUND-TRIP BUS FARES WILL BE REFUNDED, providing the customer's purchases amount to the price of the ticket. Shoppers will be given refund coupons on boarding the busses and fares will be refunded on presentation of these coupons at any Torrance store where purchases are made.
